

Road Map to Migration

In February 2020 Olde City Lending Solutions joined the Nationwide Property & Appraisal Services family of companies. As a result of the merger, we are now in the process of bringing our companies together as one!

Before we get into details of the migration, I want you to know that the team you have come to rely on at Olde City will still be there! While they may have different roles at Nationwide, every team member (including me!) will continue with the company!

On the pages below, you will find some important information regarding the migration of your profile to the Nationwide platform. These items are things that we need your help with in order to make sure your transition is seamless!

If you have any questions – please feel free to contact someone on the migration team!
